

**REMARKS/ARGUMENTS**

Favorable reconsideration of this application is respectfully requested in light of the foregoing amendment and following remarks.

Claims 1-8 are pending in this application. Claims 1, 7 and 8 are amended. The outstanding Office Action objected to the format of the amendment filed on August 12, 2005. Claims 1, 7 and 8 have been corrected to include spaces to clearly define the amendments.

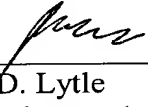

Consequently, in view of the present amendment and in light of the foregoing comments, it is respectfully submitted that the invention defined by Claims 1-8, as amended, is patentably distinguishing over the prior art. The present application is therefore believed to be in condition for formal allowance and an early and favorable decision to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
